FRG S 55 vladimir bogachev tass commentary on a recent paper by
frg defense ministry official wuerzbach who claims that soviet
military countermeasures in event of deployment of new u.s.
intermediate-range nuclear missiles in frg will not be very
important for country's military-political situation. bogachev
says that this is an attempt to soothe frg citizens and notes
that frg and other nato countries have not said a word about and
generally refuse to discuss soviet peace initiatives which have
been on negotiation table for two years now. it is hard to
believe that wuerzbach has been able to convince frg citizens
that deployment of missiles is of no importance for their security.
deployment of missiles in west germany constitutes a threat
to socialist countries but also and above all to frg itself.
